

NATURAL FIBRES (Pty) Ltd.

To whom it may concern

We confirm that all mohair, be it greasy, scoured, tops or yarn, supplied by SAMIL Natural Fibers (PTY) LTD is derived from the following animal:

Common Name: Angora Goat

Genus: Capra

Species: Hircus Aegagrus

Source: Farm Raised

All mohair produced in South Africa is done so under Mohair South Africa's guidelines for sustainable production, which is underwritten by the Society of Prevention of Cruelty to Animals, as well as the WWF. The industry also has formal classing standards in place, which is regulated by the classing of agricultural products act.
